

MEHARWAN SINGH

I'm a freelance full-stack designer specializing in UI/UX design, graphic design, video editing, and motion graphics, passionate about turning ideas into engaging, user-friendly experiences. I combine creativity with solid design skills to craft visuals that not only look great but also serve a purpose. Whether it's designing eye-catching graphics, creating dynamic motion visuals, or editing compelling videos, I focus on the details that make a real difference. Always learning, experimenting, and pushing boundaries, I strive to deliver work that stands out — and makes a lasting impact.
